- 3rd Dec— Y4 Telford Minster
- 6th Dec - Y6 Author Workshop
- 6th Dec - Christmas Fayre
- 10th Dec - Daycare/Nursery Little City Workshop
- 11th Dec - Xmas Dinner
- 13th Dec -Nursery/Reception Xmas
- 13th Dec - Xmas Carols Y 3/4/5 Town Park
- 17th & 18th Dec - Y1&2 Xmas Production
- 19th Dec - Y3&4 Xmas Production
- 20th Dec - Y5&6 Xmas Production
- 20th Dec - Mufti Day

Year 3 Greek Day

Year 3 had a Greek visitor this week to tell them more about Ancient Greece. They heard lots of fun myths, played Greek board games and participated in some of the first Olympic sports.

Year 5 Egyptian Day

The children took part in a day long workshop with a world renowned Egyptologist. They learned all about Egypt, its geography and incredible history. The children were lucky enough to handle some ancient artefacts, some of which were over 3,000 years old. They were also able to use their new knowledge of hieroglyphics to crack a code. The day was all capped off with a classic bit of mummification.

Attendance of the Week

Key Stage One

Mrs Longmore's Class 98%

Key Stage Two

Miss Roberts Class 98%

CAPTAIN'S CATCH UP

Dudley Zoo Year 2

As part of our Wriggle and Crawl topic we visited Dudley Zoo to learn about animals and their habitats.

We had a habitats workshop.

The man told us different animals that live in each habitat.

He told us the four main habitats are polar, rainforest, desert and ocean.

The meerkat's habitat is a desert.

We fed the monkeys!

A tiger's habitat is the rainforest. They can camouflage in the rainforest.
