Year One Florence Nightingale

On Tuesday Year 1 were transported back in time to become Florence Nightingale and the soldiers in the Crimean War. They loved learning all about how she transformed hospitals. They made their own lamps so that they could check on the soldiers at night and put bandages on wounds so that the soldiers could get better.

We made lots of things to help us with our learning such as a herb bag, medal, lantern and dip pen which was really hard to write with – we decided we much prefer pencils!
